

Hello fellow Revere Alumni,

We have had a challenging year. One of our biggest challenges was our Web Master and Web Host. Our site was infected with a virus and we were not getting any cooperation to get it cleaned up. The really great news is that we now have a new Web Host, Blue Host, and new Web Master, John Jarrell (class of 1982). John has saved us not only money (as he is donating all of his time and expertise) and has saved and built our strongest, fastest and best tool of communication to over 7,000 alumni.

I have also been working to get a contact person from each and every class asking these people to forward messages from me regarding updates to our site or announcements or questions. I have 27 of the 57 classes with a contact person. I want to thank each of them for stepping up to accept this effort. The classes that I have missing contacts for include the following; 1955, 1956, 1957, 1958, 1962, 1963, 1969, 1971, 1976, 1978, 1985 through 1988, 1990 through 1992, 1994, 1995, 1998, and 2005 through 2009. If you know people in these classes, can you ask them to get back to me if they are willing to help keep their classmates up to date? I also am asking for information back when there is new in any of the classes regarding marriages, deaths, etc. If you are willing, please contact me at the email address below.

I want to especially thank the Executive Board of the Revere Alumni Association. This includes Joan Peaceful, V. P., Edna Larson, Treasurer, Carol Garman, Secretary and Trustees Eric Moats, Tim Godard, Joanne Gillette, and Laura Kasner. Thanks to Ernesto Alessio who was a trustee for most of the year but had scheduling problems with our meetings and his job. Thank you, too, to Lynda Durrant for being the Editor of our newsletter and Gail Hartman for doing the lay out.

We do need to have more help with increasing membership, helping with fund raising, attending our meetings to help decide what should be done, helping with interviews for the scholarship, helping with issues in general. If you are willing to find out more about how you can help, please contact me at [pat@reverealumni.com](mailto:pat@reverealumni.com).

I want to wish you Happy Holidays and Happy New Year!!

Sincerely,

Pat Swan Healey '61
